FROM PASTOR JOHN

My primary response to last Sunday's Easter celebration is gratitude – gratitude to God for the ongoing miracle of Easter itself, and gratitude to the many persons who helped to make our celebration of that miracle so meaningful. I'm thinking especially of the Worship Committee co-chaired by *Martha Arnold* and *Suzanne Neafus*; our Bell Choir led by *Sharon Richwine* and Voice Choir led by *Mike Gowdy*; *Deb Draizen*, who created appropriate and attractive visuals for the altar; and *Karen Rudewicz*, who provided bulletins and slide shows for Maundy Thursday as well as Easter. I'm proud – and, again, grateful – to be part of such an outstanding team. And I'm grateful to all of you who were present on Easter Sunday and worshiped the risen Christ with such gusto!

Grace and peace, *John*

Caring for church grounds

The extensive grounds of WUMC are cared for by volunteers. Al Dowd and Doug Weed do all the lawn mowing, blowing, and raking. Gerry and Grace Hayes need help with the gardens. Could someone, or maybe a family or church group, adopt an area, such as around the gazebo, or in front of the sanctuary ramp, or the shrubbery bed in the middle of the FLC ramp? The memorial garden requires frequent weeding and deadheading. Please call Grace at 860-970-3108 to volunteer.

OUR NEW PASTOR

Our new pastor, Rev. Dr. Marion Ryan Hubbard

As of July 1, our new pastor will be Rev. Dr. Marion Ryan Hubbard. She had previously served with us back in 2021 for 4 months while Rev. Beckford was on leave. Listed below is her biographical information

Rev. Dr. Marion Ryan Hubbard is a member of the New York Annual Conference of the United Methodist Church with 20 years of service in parish ministry as an ordained Elder. She has served as a pastor to seven churches in the New York Annual Conference. She earned a Bachelor of Arts degree in Psychology from Post University. She also holds a Master's of Divinity and a Doctor of Ministry degree from Drew University. Her doctorate dissertation was "A Guide to a Faith-Based Support Group for Adults Who Personally Experienced Childhood Trauma."

Marion has done extensive work in ministry in Ghana, Africa. In her ten years of service to the Ghanaian people, she was a co-founder of the Project Dorcas Medical Clinic in the north of Ghana in Tamale, bringing much-needed medical assistance to the wonderful people of the rural Yapalla Village and surrounding areas. She has also been a part of the Kairos International prison ministry team serving over 10 years in the Connecticut prison system.

Being a New Yorker, born and raised with a love of adventure, has taken her on many exciting journeys with God at her side. She has traveled to many

states across the U.S. and around the world including Korea, China, India, Turkey, Jerusalem, Germany, the Czech Republic, England, Ireland, and Scotland.

In 1981, Marion became a single mom and left New York City with her three children and settled in Bethel, CT. As God would have it, twelve years later, the love of her life appeared, and she married for a second time to a wonderful man, Robert Hubbard. Between them, they have ten children and twenty-one grandchildren. They were married for 31 wonderful years until Bob's passing this past January from Dementia. In 2018, Marion retired from active ministry at the New York Annual Conference to take care of her husband who developed dementia. For the past six years, they have lived in Tequesta, FL, and attended First United Methodist of Jupiter, FL. She has been active in her local United Methodist church, serving wherever needed, preaching on occasion, visiting the shut-ins, and running Bible studies and support groups during the year. She is currently working part-time as a Counselor for Community Christian Counseling Center.

Her mother always stated, "Going out with Marion is like going on an adventure; you never know where you will end up." Pastor Marion is so excited to be joining us again to continue the journey of bringing God's love to Wethersfield and beyond.

200th ANNIVERSARY CELEBRATION CORNER

Details

After the WUMC service on Sunday, April 14, our after-worship coffee hour will be held at 12:00 p.m. at the hall at the rear of Temple Beth Torah at 130 Main Street in Old Wethersfield – the site of our fellowship from 1824 to 1959. At 12:30 p.m.,

we will proceed to our former sanctuary for a brief presentation on the history of faith communities in Old Wethersfield, given by *Wethersfield Historical Society* docents Carol Bruce and Doreen Ciarcia. Maps will be available for those interested in a self-guided tour afterward to nearby sites highlighted in the talk.

Parking/Carpooling

Please leave promptly after worship to allow time to get to Temple Beth Torah at 130 Main Street in Old Wethersfield, which is approximately 1.6 miles from our Prospect Street church. Carpooling is suggested as there is no parking lot at the synagogue. Parking is available on Main Street, Garden Street and behind the Keeney Memorial Cultural Center at 200 Main Street. Please note that the entrances and toilet facilities at Temple Beth Torah are not handicapped accessible. We are, however, obtaining a handicapped ramp for the rear entrance leading to the hall just for this event. The 200th Anniversary Committee apologizes in advance for some of the obstacles to the full inclusiveness that is a primary goal of WUMC. If you are interested in carpooling from WUMC to the event, there will be a sign-up sheet on the Community Connections Board or sign up online at <https://tinyurl.com/ye22y5a6>.

We are grateful to Temple Beth Torah for graciously welcoming us to celebrate our beginnings in this house of worship sacred to Christianity and Judaism.

200th ANNIVERSARY CELEBRATION CORNER

200th CELEBRATION CORNER

A New State Constitution Opens the Door to Religious Freedom

Connecticut adopted a new state constitution in 1818, which granted all people freedom to practice their own religions. As a result, new houses of worship were built to meet the rising need. On March 22, 1824, the trustees of the local Methodist Society purchased a quarter-acre plot with a dwelling at 130 Main Street from Charles Winslow for \$350. Our handwritten copy of the original legal document lists these trustees and charges them "to erect or build or cause to be erected or built thereon a house or place of worship for the use of the members of the Methodist Episcopal Church. . . and in further trust and confidence that they shall at all times and forever hereafter, permit such ministers and preachers belonging to said church as shall from time to time be duly authorized by the general conference. . . to preach and expound God's Holy Word therein."

In the Brief Historical Sketch of the Wethersfield M.E. Church, by the Rev. George Colburn, published in 1882, we learn:

"The site for the church having been secured, containing a small house for a parsonage, the cornerstone was laid with appropriate ceremonies, April 18, 1824. The timber was contributed by different ones, as was also the work of building. But notwithstanding, much of the labor was donated, there was a debt which proved a heavy burden to the society for a number of years.

"Their house was built and enclosed, though for a long time they were unable to finish it. Crude seats were formed by placing planks across the timbers, upon which the worshippers sat while their feet rested on the ground. Uninviting as this may have appeared, it was their place of worship, dear to them. There were heard their songs of praise, and their prayers, burdened with a deep solitude for souls, breathed forth from hearts burning with a Saviour's love, ascended heavenward and moved the throne. Gradually the building was completed, and the debt finally liquidated."

Adjusted for inflation dollars today, the debt was \$11,200.

MOUNTAINS OF HOPE FOR HAITI

From Judy Dowd

March 2024

Wendy and I just returned from two weeks in Ft Myers and Punta Gorda, working with two college disaster recovery teams. During that time we also had the opportunity to meet with David Draeger, the Mission Volunteer Coordinator for the Methodist Church of Haiti, and Molly McEntire, the Florida Conference Director of Missions at the Conference Center. David has been in the States for the past six weeks visiting family, churches, and other supporters of mission work in Haiti. Unknown to David at that time, his flight out of Port au Prince was one of the last commercial flights departing as gang activity has shut down the airport.

In one sense we are running out of words to describe the situation in Haiti. In summary, gang activity has now moved from the greater PAP area to rural communities to the more affluent areas of Petionville, Laboule and Thomassin. Just several days ago, more than 10 persons were murdered in Thomassin. For those who have been to Furcy, Petionville is where the Methodist Guest House is located and the others are two areas we pass on the way to up the mountain to Furcy.

While at the Conference Center, David made a short video which has been posted on the Florida Conference website. He describes the situation in Haiti, the work of the church, the challenges the people face, and a request for prayers and assistance. Here is the link to that video: <https://vimeo.com/923152367/b7bb63c999?share=copy>

Gangs have effectively shut down the economy. Major roads are blocked, farmers are extorted for payment, ports are under gang control, and the main airport is closed. Food access is difficult, expensive; gangs have looted food-aid stations, and millions are now considered having moved from “food-insecure” to a “famine-like” situation. Mass starvation is a concern both in urban and rural areas.

Aid-organizations are trying to find alternative ways of getting food to people. In some areas, gangs have offered days of “truce” which allow people to do what shopping they can, and for food to get through. One interesting scenario is, the Methodist Church at College Bird in Port au Prince has been given a reprieve to provide meals on Sundays following worship. According to David some 400+ meals have been provided each Sunday to local residents during this time. How long this will last no one knows. The whole situation is so tenuous.

What can we do? Mountains of Hope is seeking to work with several other organizations to provide emergency supplies. Earlier this month we received funds to provide seed and fertilizer to the Farmer’s Association. We are hoping to provide emergency rice and beans to community members as well to supplement what the farmer’s grow. Smyrna UMC in eastern North Carolina has offered \$1000 to help initiate this effort. We are grateful for their support.

MOUNTAINS OF HOPE FOR HAITI

From Judy Dowd (Continued)

If you would like to support this effort please donate through the following means:

Funds may continue to be sent to the Frontier Foundation, 20 Soundview Avenue, White Plains, NY 10606. Please make checks out to "The Frontier Foundation" and indicate Mountains of Hope in the memo line. There is also a donation link on the MHH website mountainsofhopeforhaiti.org. You will receive an immediate acknowledgement.

For those in Florida, you may send funds to Celebration UMC, 9501 SW Archer Road, Gainesville, Florida, 32608. Please make those checks out to Celebration UMC and also indicate Mountains of Hope in the memo lines. You can also donate online at celebrationgnv.org. Click on "give" on the home page banner, then "donate" and it will take you to the Mountains of Hope donation link.

We again share with you the guiding principles that established Mountains of Hope 20 years ago.

As Mountains of Hope we:

- Affirm the sacred dignity and worth of every human being;
- Believe that all people have a God-given right to sufficient food, water, shelter and medical care; and opportunities for education and self-sustaining employment;
- Believe that a sustained presence and relationship in a community is the most effective means of enacting change and developing a more sustained presence and future for that community;
- Do not so much "do" for others, but help provide the basic necessities and tools by which others can "do" for themselves.

On behalf of the people we serve, we thank you for your ongoing support in prayers, gifts, and service.

Bondye bene nou,

Tom and Wendy

Should I be concerned about mold in my home?

What is mold?

Molds are microscopic organisms that are found virtually everywhere, both indoors and outdoors. Molds are types of fungi that live on plants, foods, dry leaves, wood, and other organic materials

Can mold become a problem in my home?

Yes, mold needs moisture to thrive and multiply. Major sources of indoor moisture that can cause mold problems include:

- flooding
- backed-up sewers
- plumbing leaks
- leaky roofs
- humidifiers
- ice dams
- damp basements
- moisture from combustion appliances (furnace or stove)
- excess moisture in kitchens and bathrooms due to poor or no ventilation

How am I exposed to indoor molds?

It is common to find mold spores in the air in Connecticut homes. Mold spores primarily cause health problems when they become airborne and are inhaled.

What are possible health effects?

Typical symptoms reported by individuals exposed to mold may include:

- breathing difficulties
- asthma flare-ups
- dizziness
- dry, hacking cough
- sore throat
- headaches
- burning, reddened eyes
- nasal and sinus congestion
- shortness of breath
- skin irritation

Should I test my home for mold?

The Connecticut Department of Public Health (DPH) does not recommend testing as the first step to determine if you have a mold problem because there are no health-based air standards for levels of mold indoors.

Air testing almost never affects the final recommendations. If you can see or smell mold or mildew, you have a moisture and mold problem.

The first step is to control the moisture and then clean and dry out the moldy area. Then it is important to identify the moisture source and correct it.

For more information on mold and for cleaning and removal guidance, please go to: ct.gov/dph/mold

Readers uncover a deeper understanding and experience of Christian faith as they live the United Methodist way.

COUNTERS NEEDED

Subject: Counters Needed

Gerry Hayes has generously served as our primary Counter (to count our Sunday church offerings after church), and a few others have helped count for a particular month. In fairness to Gerry and to have more people with this expertise, I'm asking for volunteers to contact me (either by email or phone) to sign up to do a month or two of counting during 2024. The most urgent needs right now are counters

for March and June, but we need counters for months beyond June as well. Gerry will provide the needed training to all new volunteers.

Thank you.
